

STATEMENT REGARDING CAGE-FREE EGGS

May 2018

Weston Foods is committed to providing bakery products, which are safe for consumption, and are of a consistent and exceptional quality. Certain bakery products produced by Weston Foods will contain eggs as an ingredient. Weston Foods is supportive of efforts to improve animal welfare and is committing to the objective of purchasing cage-free eggs by 2025. Our objective, which is consistent to recent announcements made by the Retail Council of Canada and by other leading CPG companies, is to provide our customers with product sourced in the most humane and responsible manner.
